11:00a.m.	2nd flight of bowling
11:30a.m.	Lunch at all bowling alleys
1:00p.m.	3rd flight of bowling

Fall Sports Classic Fact Sheet

All athletes must attend a regional event if they want to participate in the Fall Sports Classic. This only applies to the events that are offered at the regional level. If your area does not offer a sport, an athlete can register for state without attending an area competition. **All registration forms (including sports that athletes will participate in at state that the area does not offer) must be sent into the regional office by the registration deadline set by the regional director.** From this information headquarters will transfer the athletes into our games system and an email with detailed information will be sent to the games contact; then the games contact will call the Headquarters Office and verify all of the athletes attending the games, meal numbers, coaches, etc. From the call back information, a bill will be sent to the local programs.

Every athlete MUST have a completed SOKS Medical Release form or Health Information Update on file in the Headquarters Office prior to participation in any Special Olympics activity. Do not register an athlete on the Master Roster if they do not have a current medical on file in the SOKS Headquarters Office. Local Program Coordinators are responsible for these forms and must have them available at all times during the Fall Sports Classic. All Down syndrome athletes must have a copy of the Down syndrome Addendum on file in the SOKS Headquarters Office prior to participation in any Special Olympics activity.

Bowling:
Athletes can either bowl on Friday or Saturday if they are only participating in bowling. If an athlete is participating in volleyball, then they must bowl on Saturday. Teams will be assigned to bowl at either facility.

Volleyball:
Athletes cannot participate in both Special Olympics team play and Unified® play. They must choose between one or the other.

Meals:
Lunch provided for all venues on Friday & Saturday; Friday dinner will be provided as well.

Dance:
The dance will be held at the OKUN Fieldhouse, KS from 7:00p.m. – 9:00p.m.

Registration Fee:
The $15.00 per athlete and coach will be due by Friday, November 4, 2016.

VOLLEYBALL ABILITY DIVISIONS/RULES
(September 2016)

Basic for all Levels

Teams consist of 6 players. A team must start a game with 5 players, but if the team starts with 5 players the team will play with a ghost player and when the ghost player is supposed to serve it will be an automatic side out and a point for the other team. Whenever the 6th player arrives for the game, they can be immediately put on the floor and participate without penalty.
Matches are best two out of three games.
Games use rally scoring – one team receives a point after each serve.
Games are played to 25, unless it is the 3rd game which is to 15.
Team must win by two points.
Coin flip determines team with first serve.
A serve that hits the net and goes over the net is in play.
After the first serve of the game has ended, the next team to serve must rotate….team should start the game with their first server in the right front position.
Front row players cannot spike a serve.

Level I

Teams will play standard 6-person volleyball with no adaptations to the court or the rules of the games. Spiking and blocking are allowed. Net height will be 7'4''.

Level IIA

The only difference between Level I and Level IIA is there is no spiking (see explanation in Level IIB) in Level IIA.

Level IIB

Standard volleyball except:

1. No spiking – it is not considered a spike if the initial trajectory of the ball is upwards and not straight down; even if the player uses a spiking motion to hit the ball
2. Net height 7'4"
3. 5 serve limit per person then automatic team rotation; team still keep the serve but a different person must serve
4. 10 minute per game time limit
5. Serving line 10' in from the base line. Athletes can serve from anywhere behind this line. If the athletes serve behind the 10' line but in front of the end line, the serve must be underhand. If the athlete serves from behind the end line, an overhand serve is allowed.

Level III – Training Division

1. Use a “trainer v-ball” – 40% lighter & 25% larger than a regulation ball
2. Court will be 30’ X 40’ with underhand service from the end line
3. 5 serve limit then automatic side out
4. 10 minute per game time limit
5. One coach can be on the floor to assist their teams
6. **Wheelchair/walker athletes can participate in this level only.**

Unified® Volleyball: Level 1 rules except

1. Partners cannot spike, but may block at the net.
2. If the ball is hit more than once by a team, an athlete must hit the ball.
3. The serving order must alternate between athletes and partners.
4. **Athletes must choose between Unified® and regular Special Olympics volleyball. An athlete CANNOT participate in both divisions.**

Official Bowling Rules
(September 2016)

1. The American Bowling Congress (ABC) rules shall be followed for all competition.

2. Singles, doubles, and Unified® doubles bowling will be offered.

3. Region: Athletes will be divisioned by the score turned in to the regional offices.

4. State: Athletes will be divsioned by the average of games bowled at the regional tournament.

5. There will be no handicap used at either the state or tournament. The total score of the 2 games bowled will determine final placement in a heat or double the score of the first games if the athlete chooses – see rule #6.

6. All athletes (with the exception of the following) will bowl two (2) games. The following groups are given a choice of whether they want to bowl one game or two. If they bowl one game, their score will be doubled: 8 – 11 year old & Ramp Bowlers.

   Those bowlers who choose to bowl one game must make the decision before they begin their 1st game. Score will be doubled.

7. There will be a separate division for ramp bowlers

8. The only people that can be on the lanes are the bowlers and the lane volunteers.

9. Exception to #8 – coaches that assist ramp bowlers.

10. NO FOOD OR DRINK ALLOWED DOWN ON THE LANES WHEN BOWLING.

11. NO SMOKING IS ALLOWED IN THE BOWLING CENTER.

Games Registration Packet

MASTER ROSTER Fall Sports Classic Team Name: _____Team #:_____

Please list below the person and address in which all correspondence will be made with concerning this event. The delegation lists and coaches handbook will be sent to the person listed below.

Name: _____Phone: H (_____) _____W(_____)_____
