Accomplishments

Casey works at Dillon's Marketplace as a courtesy clerk. In her spare time she volunteers with the ARC of Sedgwick County helping with auctions and fundraisers and at the Burning Sage ranch for the disabled.

Special Olympics has given Casey self-confidence and independence; she is more outgoing socially, is willing to try new things and is not afraid of what others think or say about her.

Casey's accomplishments showcase her confidence - she was selected as Most Inspirational athlete at the 2013 Heartland Winter Games and in 2009 won 2 silver medals at the Special Olympics World Winter Games in Idaho.

"I am excited to have the opportunity to meet people from around the world. I love to compete and I love to have fun!"
