The World's Largest Truck Convoy®, a Law Enforcement Torch Run is nationwide celebration that raises funds and awareness for Special Olympics. Thousands of truck drivers, company owners, Department of Transportation officials and law enforcement officers participate in events held in 26 U.S. states and 2 Canadian provinces. From a single event held in Orlando, FL in 2001, where 97 trucks raised \$17,000, the Truck Convoy has expanded dramatically over the years. In 2016, convoys in the US and Canada raised \$992,420.53!

Kansas ranked 8th in funds raised – an awesome \$58,372.48!

A fantastic achievement for this event which is led by escorts of the Kansas Law Enforcement Torch Run. All funds raised from the Truck Convoy go to fund the programs and services of Special Olympics Kansas, taking our athletes from the sidelines to the playing fields. Check out our partner packages:
