*“Attending the USA Games means I get to make new friends outside of Kansas and have fun competing with other states!”*

Anna has worked at the Salina Regional Health Center for 36 years. She says that her ideal dream job is to work with animals and help them in any way.

Special Olympics has given Anna the opportunity to get out of the house, make friends, and be on her own.

Anna is proud of being inducted into the Special Olympics Hall of Fame, winning outstanding player for tennis, being inducted into the Salina ARC Hall of Fame, and receiving the S.R.H.C. Monthly Star Award.
