Jenna has worked for the City of Bonner Springs for 3 years and at the YMCA for child watch for 4 months. In her spare time, she volunteers at the Ronald McDonald house, soup kitchen, the nursery at her church, and Harvesters.

Volunteering for Special Olympics has given Jenna the ability to see that anyone can be a part of a team, no matter the challenge. She has also learned to overcome working with people that she may not get along with all the time by realizing that everyone has a strong side that can be utilized to work together.

Jenna is most proud of being a part of her school’s yearbook team and working hard to buy her first car.
