- ◆ **Hobby:** *Running*

“Attending the USA Games is the chance of a lifetime to do something I have never done before and it’s an experience that most will never have.”

Kacey has been working at McDonald’s for 2 1/2 years. Her ideal dream job is to work for Google. She volunteers at Arc Thrift Shop and she is an Arc Special Olympic Athlete Mentor

Special Olympics has allowed Kacey to try lots of different things and taught her that she can be successful. It has also helped her overcome the challenge of learning how to drive.

Kacey is proud of winning the Bob Kuhn Athletic Award, lettering in HS soccer, and being selected as Crew Member of the Month at her job.
