“I am excited about competing in the USA Games because I will get to travel with my friends and compete with people from all over the country!”

Katie has worked at Shear Dynamics in Manhattan for 4 years. There is no need to look any further because she says it is her dream job.

Special Olympics has helped Katie make new friends and has also helped her to overcome her sense of shyness to communicate better with others.

Katie has been recognized as the Kiwanis Student of the Month. She is a good friend and comes from a large family of 31 cousins!
