“Special Olympics has helped me overcome anxiety and depression. It always give me the positive energy and motivation to do anything. There is nothing I look forward to more than practices and competitions!”

Megan is currently working for USD #383 and has been there for 7 years. She says that her dream job is to be a firefighter.

Special Olympics has taught Megan patience, compassion, and the true meaning of friendship and love.

Megan is involved in many of the fundraisers (including taking the Polar Plunge) for the Manhattan team.
