*“I am honored to be able to represent Kansas and have the opportunity to see all the hard work and dedication the athletes have made pay off not just in sports, but socially.”*

Tracy has worked for Shawnee Mission Primary Care for 20 years.

Being involved with Special Olympics has provided Tracy with the opportunity to give back to her community and develop friendships all over Kansas and the country.

Tracy’s accomplishments showcase her passion for SOKS– she was selected the Regional Program Volunteer of the Year award in 2014 and the 2015 State Program Support Volunteer of the Year for SOKS. She is big supporter of the Bonner Springs Polar Plunge team, assisting in fundraising and costumes.
