“Attending the USA Games is exciting and I get to participate in a sport that I love.”

Trevor has worked at Clayworks as an artist for 3 years. He is very good at pottery and basket weaving. He volunteers as peer support for clients within New Beginnings of McPherson.

Special Olympics has allowed Trevor to gain more friends and improve in the sports that he loves and appreciates.

Trevor’s accomplishments showcase his determination - he has been successful at his job over the years and with Special Olympics. His biggest accomplishment is being invited to participate in the 2018 USA Games.
