“I hope the USA Games inspire athletes, coaches and members of the community to do more and celebrate each accomplishment along the way. This is a great opportunity to show the country the talents of Special Olympics athletes.”

Before being hired as staff with SOKS, Clint was involved with Special Olympics in a number of ways. He served as an intern at SOI office in D.C., served on Board of Directors of SOKS, worked & coached for Special Olympics Ecuador (while in the Peace Corps), and now has a brother-in-law as an athlete.

Clint has developed the Unified Champion Schools program in the KC-Topeka area for SOKS. He attended the World Games in 2009 Idaho, 2011 in Greece and 2017 in Austria.

Clint feels Special Olympics has shaped his life. For him, spiritually and emotionally, Special Olympics gives him calm and pause for the beauty and all the unique and interesting people who make up the world.
