“It is an honor to represent Kansas I’m very proud I was selected. I’m excited to meet new people and see another part of the USA.”

Leah says that Special Olympics has changed her life. It has become her extended family! She has been able to overcome her shyness and become more outgoing. It has made her more confident. She has her own apartment, and has held a job for the past 24 years.

Leah likes to sing and has a good memory. She has been inducted into the SOKS Hall of Fame, and has been recognized as the athlete of year.
