# Soccer Ability Levels

## Level I 5-a-side

This division is for the higher skilled 5-a-side teams. Athletes in this division could play 11-a-side but may not have enough players to form an 11-a-side team. The field will be 50m X 35m, with the goal 4m X 2m. The duration of the games will be two 20-minute halves.

## Level II - 5-a-side

This level is for teams of lower abilities - athletes that have never played the game or ones who are not very athletically inclined. The field will be 40m X 30m, with the goal 4m X 2m. The duration of the game will be two 20- minute halves.

## Start of the Game

1. Each team will meet with one of referees to make sure everyone is wearing shin guards.
2. A coin flip will determine which team starts the game with the ball. The other team will start the 2<sup>nd</sup> half with the ball.

## Rule Modifications

1. Unlimited substitutions - unlimited number at any one time as well as number of time's during a game.
2. Tie Breaker procedure:
  - a. 5 minute sudden death overtime.
  - b. Shoot-out (5 players)
