Free Dental Screening

Friday, March 22nd

11:00 a.m. - 3:00 p.m.

Gross Memorial Coliseum

FREE T-SHIRT FOR ALL SCREENED ATHLETES

***WHILE SUPPLIES LAST**

The goal of Special Smiles is to:

- Increase access to dental care for Special Olympics athletes, as well as people with ID;
- increase awareness of the state of athletes' oral health for the athletes themselves, as well as their parents or caregivers;
- provide hygiene education to the athletes to help ensure that they are doing an adequate job of brushing and flossing; and
- provide nutrition education so they will understand how their diet affects their total health.

Open to all individuals with an intellectual disability. Healthy Athletes Consent and Release Form must be completed. Forms may be completed by guardians at the event or sent ahead of time.
