Up to $600 every year to buy healthy food

Good food is important for good health. But eating healthy can be hard on a limited budget. Get extra credits every month to buy approved groceries. It’s just one of many extra benefits you could get with UnitedHealthcare Dual Complete® LP1 (HMO-POS D-SNP).

You’ll get a prepaid debit card to buy:
• Fruits and vegetables, meat and fish, dairy products and more
• Approved food items focused on improving nutrition
• Accepted at many retailers, making shopping easier
