Special Smiles

Offered in a welcoming, family-friendly, and fun environment, these screenings educate athletes on healthy lifestyle choices. The impact of these screenings on the health and wellness of Special Olympics athletes is significant as Healthy Athletes has discovered undetected health problems, alleviated pain and provided health services that otherwise would not be available. Incentives will be awarded for completing screenings.

Healthy Athletes Consent and Release Form **MUST** be completed.
Forms may be completed by guardians at the event or sent ahead of time.
