WHAT IS THE CONVOY?

Inspired by the powerful impact Special Olympics had on his life through his participation in the Law Enforcement Torch Run®, combined with his family's involvement with the trucking industry, Norm Schneiderhan, a Corporal with the Orange County Sheriff's Department, created the Truck Convoy, a celebration of the trucking industry that raises awareness and funds for Special Olympics. From a single event in Orlando, FL in 2001, where 97 trucks raised \$17,000, the Convoy has expanded dramatically and now raises millions of dollars for Special Olympics in 26 U.S. states and 2 Canadian provinces! Participants follow a Law Enforcement escorted convoy from Dodge City to Cimarron and Oakley or Goodland to Colby where there is a local community celebration recognizing participating truckers and the support of the trucking industry.
